Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Sunday 10 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly sunny, feeling cold overnight.

Today:
A fresh start to the day, although quickly warming up in the sunshine. Some cloud bubbling up during the afternoon but staying dry with light winds. Maximum temperature 15 deg C (59 deg F).

Tonight:
Most of the cloud will dissipate during the evening leaving a clear night, feeling cool with isolated fog patches developing in the west. Minimum temperature 6 deg C (43 deg F).

Monday:
Turning cloudy early in the morning with some spells of drizzle or light rain during the day, mostly towards the north. Breezy at times, feeling cooler than yesterday. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Mostly cloudy with outbreaks of rain on Tuesday. Drier on Wednesday and Thursday with occasional sunny spells, risk of fog patches early in the morning.
